

Dear Parents and Guardians,

Wakefield District partners will be hosting the districts second Inclusive Sports event aimed at promoting the sport and physical activity opportunities offered in the district to people with long-term health conditions and/or disabilities.

We will be hosting a festival where Wakefield District residents will have the opportunity to try taster sessions of various sports and activities such as, wheelchair basketball, tennis, racquetball, football, bowls, adaptive cycling and many more.

Our goal is to foster a sense of inclusion and empowerment within our community.

**Saturday 16th August at Thornes Park Stadium, Horbury Rd, Wakefield, WF2 8TY, 11:00 am to 2:00 pm.**

As well as sport and physical activity providers, we will also have a number of other partners that work with and support these communities. This should serve as a great opportunity to network and find out about what other support and services there are in the district. There will also be a partner village, art and craft zone, exhibition from local artist Jason Wilsher-Mills and much more.

As mentioned, this initiative is part of a network dedicated to enhancing the accessibility and quality of opportunities available to Wakefield residents who have a disability and/or long-term health condition.

For more information about the festival and schedule of events, please visit **[www.wakefield.gov.uk/disabilitysport](http://www.wakefield.gov.uk/disabilitysport)**

We look forward to seeing you there!
