Introduction

The long /i/ sound can be spelled using a 'y'.

Main Teaching Activity

Show children the power point slide with the scrambled and split words. They need to copy it down and match the correct beginning and end to create a word with a long /i/ sound in it.

Share the words created and confirm the definition of any unknown ones.

Independent Activity

Children work in small groups to spell the words a letter at a time. The first child picks a word from the spelling list and tells the group, they then write the first letter of that word and pass the board to their left. The next child writes the next letter and so on. If a mistake is made then the word is erased and the you start again on the same word. Once the word is completed and correct the next child chooses a new word and it starts again.

Spelling Rules: Convert nouns or verbs into adjectives using suffix '-ful.'

List: 14

Spellings

Introduction

Adding the suffix 'ful' can convert nouns or verbs into adjectives. What words can children think of that end with ful? What do they think adding the suffix 'ful' means? (It can be explained as meaning 'full of with', e.g. beautiful – full of beauty, thankful – full of thanks.)

Main Teaching Activity

Use the power point slide and ask children to remove the suffix 'ful' from the spelling list words to find the root word. Some of them can simply have the suffix removed to be complete, while others need to have the 'i' removed and replaced with a 'y'.

Can they think of any more words ending with the suffix 'ful'?

Independent Activity

Show children the power point slide and use a dice generator or real die to complete the task in pairs or table groups.

Share the results as a class.

Introduction

Today the children will look at more words with a /shuhl/ ending but this time the spelling will be 'tial' and the rule is that this spelling occurs when there is a consonant before the /shuhl/ sound.

Main Teaching Activity

When a root word ends with 'ce' then the 'ce' is removed and 'tial' added to create the /shuhl/ ending.

Get the children to look at the power point slide and add 'tial' to the root words by following the above rule.

Independent Activity

Get children to pick 5 of their spelling list words and look up a definition for each one. Stage: 6

Words ending in '-ably'

List: 25

Spellings

changeably

noticeably

dependably

comfortably

adorably

valuably

believably

tolerably

Introduction

Words that end in the suffix 'ably' follow rules similar to other suffixes. If the root word ends in an 'e' then it is removed before adding 'ably'. If the root word ends in a consonant then 'ably' is often added straight on the end. 'Ably' is often added when the whole root word can be heard before the suffix.

However there are exceptions and there are exceptions in this spelling list.

Main Teaching Activity

Ask the children to write down the root word for each of the words in the spelling list:

change, notice, depend, comfort, reason, adore, value, believe, consider, tolerate.

Can they see any exceptions to the rules above? (change, notice, tolerate)

Independent Activity

Get the children to use 8 of the words in a sentence. Work with a partner to improve them further and then write them out neatly.
